Lilac Festival 2018 National Combination

## What is a Proven Winners National Combination?

For seven years, the **National Combination Program** has been a huge success for growers and retailers and a huge hit with consumers. Proven Winners continues that success with the **2018** introduction of **Lilac Festival**, which features Supertunia Mini Blue Veined, Supertunia Royal Velvet and Superbena Violet Ice. Why does this program work? Because it's collaborative. Growers provide design ideas, consumers vote for their favorites, Proven Winners promotes the combo through an extensive advertising campaign tied to the Gardener's Idea Book, and retailers reap the benefits by ordering the combo and the point of purchase to support it. Past best-selling National Combinations include Above and Beyond, Backyard BBQ, Bahama Beach, Bermuda Skies, Evening Breeze, Lively in Lavender, Santa Belle, and Strawberry Kiss, all grown and available this spring 2018 at **Jim Stakey Greenhouses**.

Lilac Festival

**Jim Stakey Greenhouses** also offers three specially created **JSG Combos**, unique to Proven Winners and sold exclusively by **JSG**. (Located on pages 5 and 8)

2018 Gardener's Idea Book

**National Plant of the Year—Supertunia Bordeaux** Over 5,600 people nominated Supertunia® Bordeaux™ for the highest award offered by Proven Winners: Annual of the Year. It solidified what we already knew: this is one of the most striking, easiest-to-grow petunias you'll find for containers and landscapes. Find out why it's become such a longstanding favorite.
