Grand Traverse 2019 National Combination

## What is a Proven Winners National Combination?

For eight years, the **National Combination Program** has been a huge success for growers and retailers and a huge hit with consumers. Proven Winners continues that success with the **2019** introduction of **Grand Traverse** which features Supertunia Black Cherry, Supertunia Bordeaux and Supertunia Vista Fuchsia. Why does this program work? Because it's collaborative. Growers provide design ideas, consumers vote for their favorites, Proven Winners promotes the combo through an extensive advertising campaign tied to the Gardener's Idea Book, and retailers reap the benefits by ordering the combo and the point of purchase to support it. Past best-selling National Combinations include Lilac Festival, Summerfest, Above and Beyond, Backyard BBQ, Bahama Beach, Bermuda Skies, Evening Breeze, Lively in Lavender, Santa Belle, and Strawberry Kiss, all grown and available this spring 2019 at **Jim Stakey Greenhouses**.

The #1 Plant Brand

2019 Gardener's Idea Book

**National Plant of the Year—Sedum Lemon Coral** Meet one of the most touchable, versatile and easy plants you'll ever grow. Whether you're planning your container recipes or redoing a garden bed, you'll find use for this fabulous succulent.

Lemon Coral Sedum is heat and drought tolerant, blooms from spring to fall, great as a groundcover, superior performance under low-water conditions, loves full sun, all day long, great in containers or in the landscape

\*3-10" tall x 10-14" spread

\*Commonly grown as an annual, but is hardy in zones 7-11
